WEEKLY ONLINE GEAR REVIEW

Do you have new products that you're excited about? Tell Bozeman, and the world, with an *Outside Bozeman* online gear review. Each week, we'll post a new review that includes up to three items and links back to the business's web page. The review will be promoted through social media. At the end of the month, we'll send out an e-mail featuring one item from each of the weekly reviews to a 5,300-person mailing list. Each item featured in the e-mail links back to the full online review.
